LOCATION INFORMATION

LOCATION DESCRIPTION

LaPlace is located just outside New Orleans MSA and roughly a 25 minute drive from Louis Armstrong New Orleans International Airport (MSY).

The primary economic driver of Laplace and St. John The Baptist Parish is the Port of South Louisiana and the industrial facilities along the river. They are responsible for over 5,300 jobs and \$72.5 Billion of product received. The port consistently ranks above Miami, New York/New Jersey, and Los Angeles in total volume processed. Other industry includes Healthcare, Manufacturing, and Retail Trade. These industries account for just over 40% of the employment in the parish as of 2021.

The West Shore Lake Ponchartrain levee system began construction in 2023, and once complete in 2026, will stretch 17.5 miles from the Bonnet Carre Spillway to Garyville, and will achieve 100-year storm surge risk reduction using levees, flood walls, flood gates, drainage structures, and pumps.

The surrounding area is developed with a mix of commercial and residential uses. Notable nearby locations include country clubs, Ford, Planet Fitness & Anytime Fitness, Ochsner Medical Complex, various QSRs, Home Depot, Walmart and more.
