

**BOUNDARY SURVEY 4/25/24  
PBS ENGINEERING AND ENVIRONMENTAL  
(PARTIAL)**

An aerial photograph of a large, rectangular land parcel. The parcel is outlined by a thick yellow border. Inside the parcel, there are several thin, light-colored lines, possibly representing roads or property boundaries. To the left of the main parcel, there is a smaller area divided into several smaller rectangular sections, also outlined in yellow. The overall color of the map is a mix of brown, tan, and green, representing different types of land and vegetation.
