DOWNTOWN REDEVELOPMENT

The property sits just steps from the \$25 million **Renew Jordan Creek** revitalization project, which will uncover and restore a long-buried creek, creating a walkable greenway through downtown. With direct access to future trails, open spaces, and the forthcoming Reed Academy of Fine and Performing Arts, this offering is perfectly positioned to anchor Springfield's next wave of urban redevelopment. Investors and visionaries take note—this is a one-of-a-kind chance to shape the future of the city.
