# MEET YOUR NEIGHBOR

We opened in December of 1991 in Lawrence, Kansas, and pioneered the concept of buying, selling and trading clothing in the Midwest. The Kansas City, Missouri store opened in May of 1998. Both stores have earned a reputation for being the go-to for stylish, affordable clothing and friendly service.

We focus on current styles in both men's and women's clothing and accessories. What makes our stores unique in the world of used clothing is that we also take lots of chances on pieces that we think our customers will appreciate. This can mean exceptional vintage pieces, formal and couture items, and collectibles. Our buyers are extensively trained to have an eye not just toward fashion trends, but what makes a piece special and desirable.

While we reserve the bulk of our inventory for our customers in-store, we put pieces on our website that might otherwise get overlooked or damaged. These pieces have been hand-picked and curated especially for your enjoyment!

# THE CROSSROADS

## WELCOME TO THE NEIGHBORHOOD

## WHY THE CROSSROADS?

There's a reason we call it the Crossroads. It's more than just an intersection of two streets in downtown Kansas City. It's a vibrant and diverse community that welcomes all walks of life and all forms of artistic expression. Just take a walk on our sidewalks. You'll find everything from late-night diners to high-end sushi. And the boutique shops around every corner are full of unique items created by local designers. Be it for flowers, shoes, furniture or fashion, shopping in the Crossroads is never the same thing twice. But the shops are just the beginning. Home to more than 400 local artists and 100 independent studios, the Crossroads Arts District is one of the most concentrated gallery districts in the nation. Beyond the galleries, restaurants and storefronts, you'll find an equally impressive collection of professional design studios, architectural firms, advertising agencies, and other innovative businesses. And while you're here, look up. Do you see all those people grilling hamburgers on their balconies as throngs of people mill about in the streets below? They live here. It's a neighborhood. And you can buy a pair of shoes here without having to worry about finding a parking place. Any time is a good time to visit the Crossroads. Lose the tie and unbutton your top button while you find your way along our streets and sidewalks. From First Fridays, annual events, and music festivals, the Crossroads has a time and a place for just about anyone.
