TOP-TIER DESTINATION

LOCATION

South San Francisco – the Birthplace of Biotechnology – is one of the largest biotech clusters in the world, with over 200 world-class life science companies, a vast network of venture capital, and access to the nation's premier life sciences workforce, drawing from nearby UCSF, UC Berkeley and Stanford University.

Anchoring the entrance to South San Francisco at its most prominent intersection is Gateway of Pacific, a new landmark being developed over several phases to provide ±2.2m square feet of state-of-the-art life science space in an inspiring urban park setting.
