PROPERTY SUMMARY

MEDICAL / PROFESSIONAL AND FINANCIAL OFFICE SPACE FOR LEASE

Presidential Circle Office Plaza – Presented by Lee & Associates:

Perfectly positioned just five minutes from I-95 and the Florida Turnpike, ideally located between Fort Lauderdale and Miami, the Presidential Circle Office Plaza offers unmatched convenience for patients, clients, and staff. This well-maintained, three-story medical and professional office building spans 19,616 square feet and features a typical floorplate of 6,539 square feet, providing flexible layouts for multi-tenant occupancy. Many suites feature private in-suite restrooms and are connected by open-air breezeways, creating a healthy, inviting environment for both tenants and visitors.

In a market where parking is a constant challenge, Presidential Circle Office Plaza stands apart with 95 surface parking spaces, delivering a rare and highly desirable ratio of 4.8 spaces per 1,000 square feet. This far exceeds the parking availability of most buildings in the area, where shortages often lead to daily frustration. Here, tenants enjoy the peace of mind of ample, convenient parking located just steps from the building's entrances.

Situated on the northeast side of Hollywood's Presidential Circle, the property benefits from excellent visibility and accessibility. It is within minutes of the Hollywood and Sheridan Street commuter rail stations, and only 6.5 miles from Fort Lauderdale-Hollywood International Airport. Surrounded by a vibrant community of more than 180,000 residents within a three-mile radius, the location also enjoys strong daytime employee density and an active traffic volume of over 50,000 vehicles daily on Hollywood Boulevard, creating exceptional opportunities for growth and exposure.
