# NYC'S WORKPLACE CLUB

LAUNCHING SPRING 2026 | 390 PARK AVE

Industrious Reserve at Lever House is more than an office. It's the art of work, perfected. Designed for the discerning executive, Reserve is a workplace that feels more like a sanctuary. The prestige of Park Avenue meets the quiet luxury of a private club. Spanning the 5th and 6th floors of the landmark Lever House, Reserve members enjoy exclusive access to The Lever Club: 13,540 square feet of elevated hospitality, including expansive terraces, private dining, a central bar, and beautifully composed spaces to meet, host, and relax.

## MEMBERSHIPS

Membership is intentionally limited and offered at two levels—each designed to give C-suite leaders and senior teams a refined, flexible alternative to traditional headquarters.
