PROFESSIONAL BACKGROUND

As Commercial Sales and Leasing Advisor with Meybohm Commercial, Jonathan thrives on putting the pieces together—sometimes in unexpected ways—to solve problems and connect buyers and sellers with the right properties.

Originally licensed in 2005, Jonathan has built his business by specializing in portfolio planning, land & site selection, multifamily brokerage, and downtown development—with a work ethic inspired by his mother, who raised their family as a single parent.

Jonathan’s portfolio planning has mostly centered around advising owners and developers of commercial properties on sales and 1031 exchanges, along with underwriting potential transactions, to further their investment interests.

Jonathan’s approach to site selection and commercial land brokerage differs from that of many of his competitors: He starts from a list of all potential sites, rather than simply on-market sites. This tends to be more work but has led to finding off-market ideal locations for his clients. Notable
