THE PLAN

IT'S ABOUT FINDING OUR PLACE AHEAD OF THE CURVE.

An inspiring and creative destination for ambitious companies.

Today's most creative workspaces inspire their environment through the lens of a single, integrated, hospitality experience.

CRAFT is comprised of two, four-story office buildings totaling 124,006 square feet in the prime submarket of Del Mar Heights in San Diego County. Del Mar Heights has historically been a top-performing submarket in the San Diego region. Recent capital improvements completed by Swift, entice creative companies searching for experiential office space and allow CRAFT to

be competitive with neighboring Class A assets along the best commercial corridor in Del Mar. An established client focused experience, created by Swift, comes to life through a redesigned courtyard with collaborative outdoor meeting areas, grab-and-go food option, and a fitness area with the latest wellness equipment that will support the Southern California lifestyle of its tenants.
