## Property Photos

## An aerial photograph showing a large, single-story building with a flat roof and orange-brown exterior walls. The building has a central entrance with a small covered walkway. Two large, mature green trees stand prominently in front of the building. To the right of the building is a large asphalt parking lot with white parking lines. Several vehicles are parked in the lot, including a white car and a dark truck. The building is situated on a corner lot, with a street running along the bottom and left sides. A red curb is visible along the street frontage. In the background, there are residential houses and more trees. The word "Aerial" is written in the bottom right corner.
