

300-310 S BROADWAY, LOS ANGELES, CA

BRADBURY

BUILDING

Where History Meets The Modern Workday

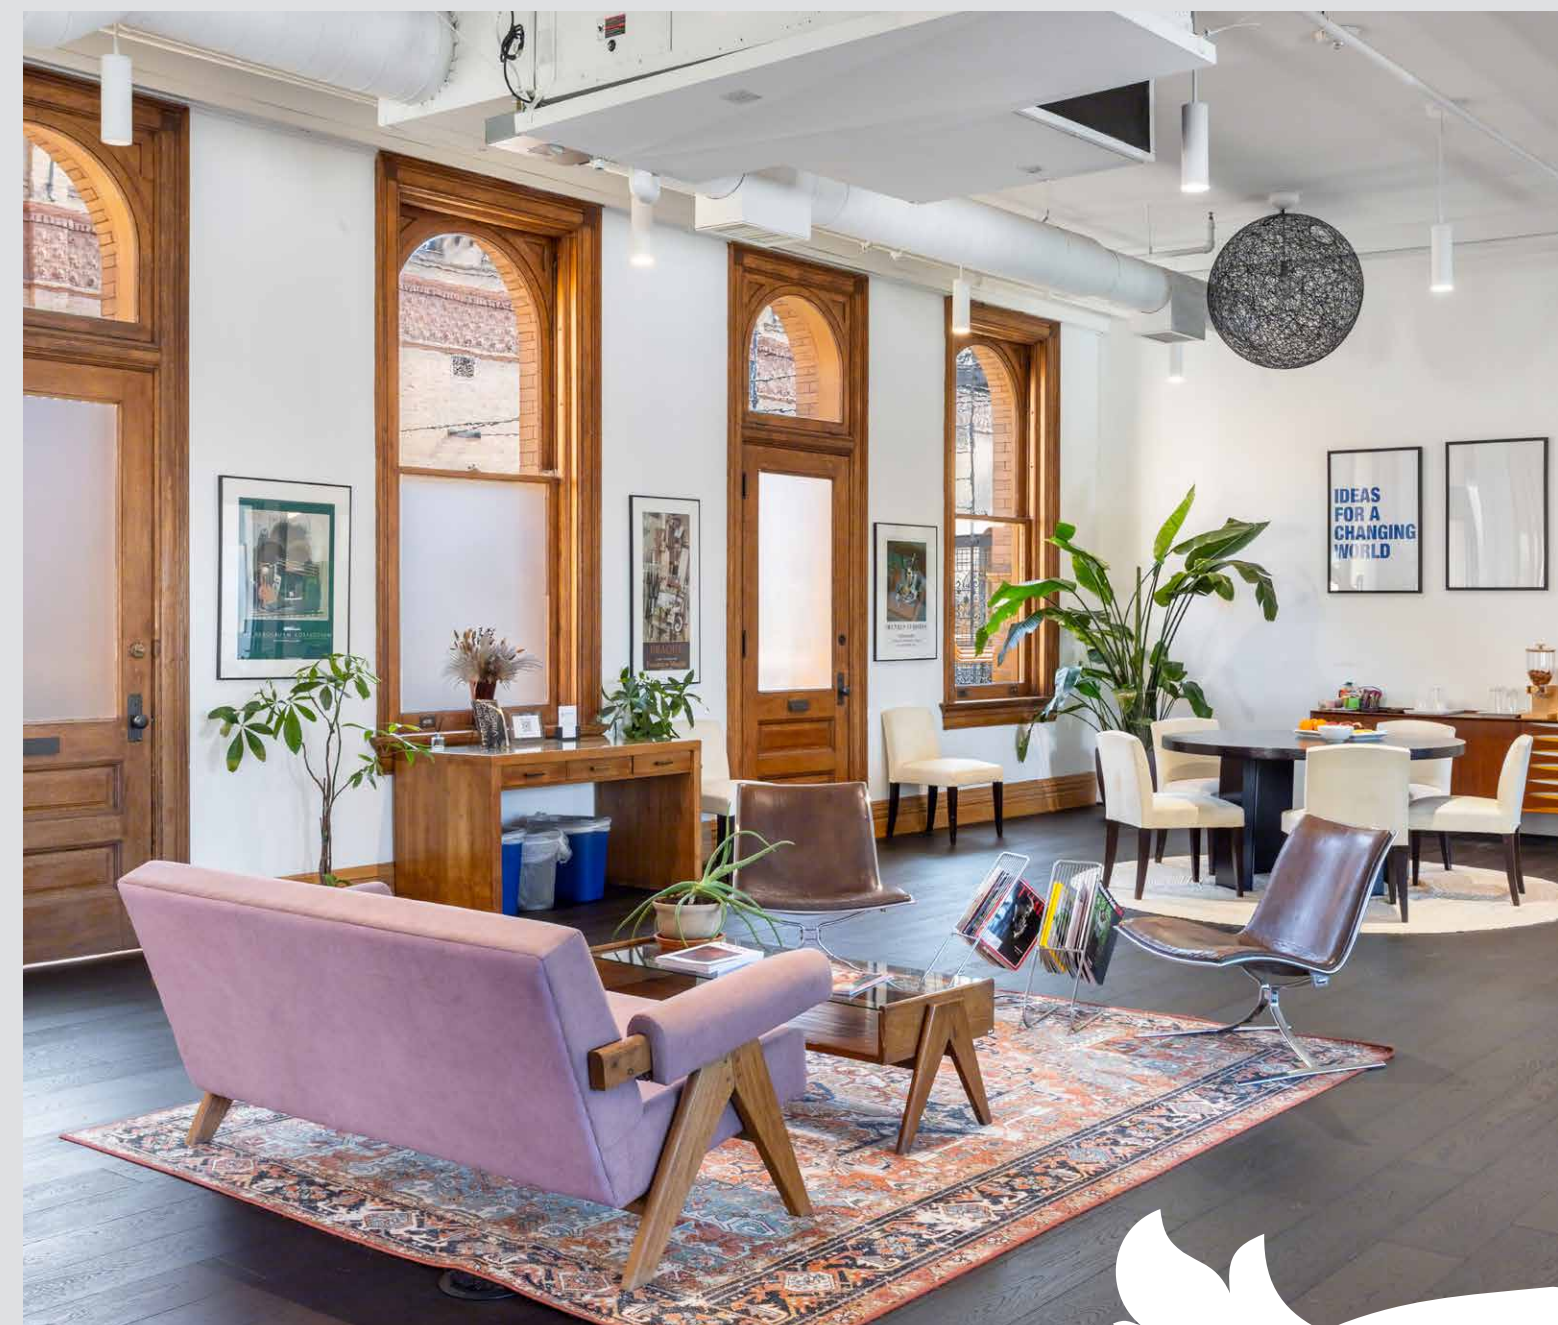

RARE 9,902 RSF SUITE AVAILABLE

Imagine stepping into a scene straight from a film...

Sunlight pours through a glass skylight, casting golden patterns across intricate ironwork and marble staircases. This is *The Bradbury Building*—a living masterpiece that has been captivating dreamers since 1893. Born from a mining magnate's dream for a legacy namesake and an architect inspired by a utopian science fiction novel, every detail feels designed for discovery, creativity, and story.

thebradburybuilding.com

Now imagine calling it your workplace

From legendary film sets to iconic music videos, *The Bradbury* has long blurred the line between history and imagination. Today, its timeless halls invite you to take your place in the story—to create, collaborate, and bring your vision to life within one of Los Angeles' most cinematic landmarks.

Work where the story begins

- Glass offices and conference rooms
- Hardwood flooring
- Kitchens with high-end finishes
- Historic 125-year-old brick walls
- Operable windows
- Exposed wood ceilings
- Bike storage onsite
- Dog friendly building

An Iconic Piece of History

- Dramatic five-story skylit atrium, meticulously maintained since 1893
- Constructed with the finest materials of ornate cast iron, polished wood, rich marble, and glazed brick
- Two distinct open cage elevators and symmetric marble staircases

Modern Workday Luxuries

- Creative spec suites and coworking studios that blend history with contemporary
- Bookable on-site conference rooms
- Tenant lounge and access to the Wyman bar
- Top-of-the-line ownership

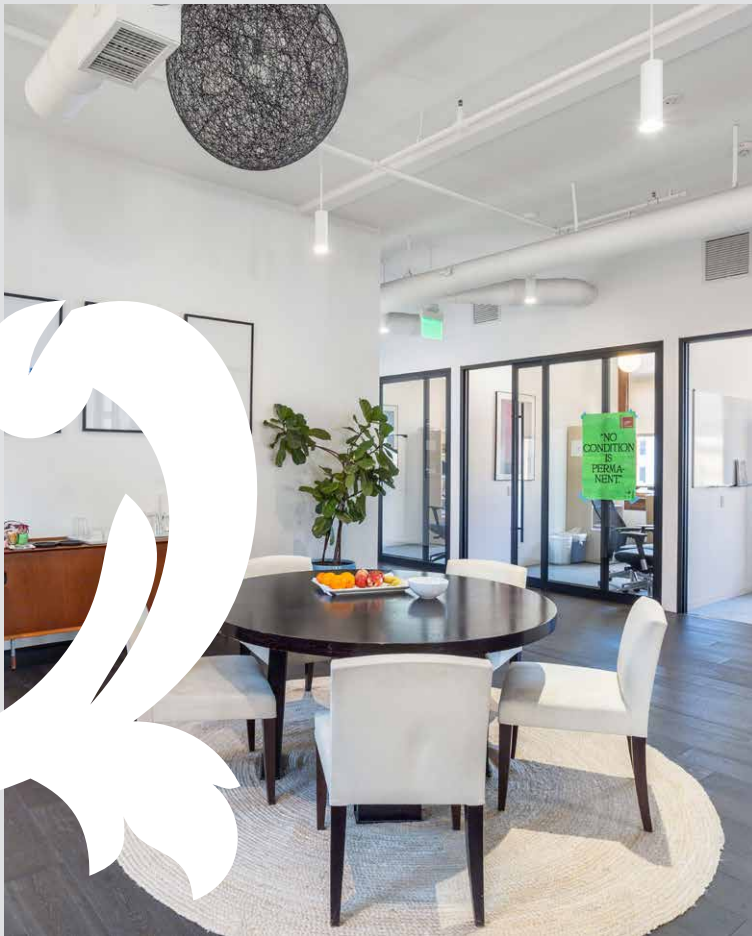

A Landmark Destination

- Across the street from the world-renowned Grand Central Market
- 10 parking lots/structures all within a two-block radius
- Prime access to local freeways, downtown attractions, and premier talent
