- Across the street from Texas A&M University, Kingsville. A one block walk to a roughly 7,000 student campus creates a captive, renewable tenant base and supports above-market rent per square foot for the submarket.

- Three demand drivers, one location. Texas A&M University Kingsville (across the street), Naval Air Station Kingsville (5.2 miles), and CHRISTUS Spohn Hospital Kleberg (3.7 miles), insulating occupancy from single-employer risk.
- Recently renovated units. Updated flooring (no carpet), modern finishes, fresh paint, and updated appliances, with central air conditioning on the fourplex, materially lowers near-term capital expenditure risk for an incoming owner.
