Basin Central.

Located in the heart of the Permian Basin, halfway between Midland and Odessa, ERP Industrials 1788 features nearly 200,000 square feet of industrial space that can be used to operate a business, store large equipment and distribute product throughout West Texas.

Functional & versatile.

All units offer separately metered electricity, bathrooms, kitchens, skylights, industrial-strength lighting and bay doors.

Convenient & accessible.

Units that open
your business to
the Basin.

Entrance on 1788 with
24-hour access.

Exterior LED lights
throughout the
property.

14' x 16' overhead
doors available in
every unit.

Building spacing
allows for 18 Wheeler
access to all units.
