LOCATION

The location offers prime access to 509, 705 and I-5, along with easy access to public transportation, making this spot a commuters dream. The Link Light Rail drops you right down the street and the Sounder is only blocks away. Brewery Blocks is already home to businesses such as BCRA, InfoBlox and Landau Associates (to name a few). The long-term project vision includes 450 parking stalls, 100 of which are already completed.

LIVE | MULTIFAMILY

Previously known as the “warehouse district”, the long-term project vision will include more than 200 units of market-rate housing. The Hunt Mottet Lofts were completed feature 21 units of residential space and the Brewery Lofts feature 49 luxury lofts and a rooftop lounge.

WORK | OFFICE

Upon full completion of the phased project, Brewery Blocks will have 80,000 SF of Class A office space right in the heart of downtown Tacoma. With the existing 131,000 SF of office space, the project is proposed to have 211,000 SF total.

PLAY | DINING & RETAIL

The development at Brewery Blocks revitalized over 42,000 square feet of dining and retail space in the historic area of downtown Tacoma. Visitors enjoy the outdoor café seating, ample parking and pedestrian-friendly streets with widened sidewalks and native landscaping.
