# PROPERTY OVERVIEW

7224 Woodley Avenue is a ±14,341 SF C2-zoned corner parcel with a ±4,118 SF building, ideally situated near the Van Nuys Airport and 405 Freeway in a rapidly developing area of the San Fernando Valley. With frontage on three sides—Woodley Avenue, Cantlay Street, and a rear alley connected to Sherman Way—the property offers excellent accessibility and visibility. It is currently occupied by Child Care Resource Center (CCRC), a Head Start preschool that has operated on-site for 30 years. The tenant has one year remaining on its lease, plus one five-year option, offering near-term income stability.

This long-standing educational use, combined with its zoning, access, and location, positions the property for a range of future uses, including potential redevelopment or use by an owner-occupant. Whether preserved as an early education center or reimagined for a new purpose, the site offers flexibility and long-term value.

## DEVELOPMENT OPPORTUNITY

# TENANT OVERVIEW

CCRC provides quality, support, development and education to over 100,000 children, families, and providers across our 22,500-square-mile service area.

Under the leadership of Dr. Michael Olenick, who assumed the position of President and CEO in 2003, CCRC now has over 1,200 professional staff members working from more than 30 different locations. To further the agency's mission of cultivating child, family and community well-being, CCRC offers a wide range of programs for both parents and child care providers.

These services have grown over the last four decades thanks to outreach into the communities of the Antelope, San Fernando and Santa Clarita Valleys, as well as the entirety of San Bernardino County.”\*

# LOCATION OVERVIEW

## Los Angeles County

Los Angeles County is well located on the Southern Coast of California and covers 4,061 square miles, including the San Clemente and Santa Catalina islands. Home to approximately 9.9 million residents, it is the most heavily populated county in the U.S. and is only exceeded by eight states.

The county includes approximately 88 vibrant cities hosting more than 244,000 business establishments, the greatest concentration in the state, with more minority and women-owned businesses than any other in the U.S., and is the nation's top international trade and manufacturing center. Los Angeles County has one of the most educated labor pools in the country. Its well-trained workforce of more than 4.7 million people includes over 1.5 million college graduates. With a Gross Domestic Product (GDP) of approximately \$750 billion, if Los Angeles County were its own nation, its economy would be the 19th largest in the world.

Los Angeles is recognized worldwide as a leader in entertainment, health sciences, business services, aerospace, and international trade. The Los Angeles area is so large and diverse, it has something for everyone. While Hollywood and the beach culture are most often associated with the collective image of Los Angeles, it also boasts an abundance of museums, some of the world's best restaurants and hotels, and access to nearly any type of recreational activity one can imagine.
