

TeamHub™

Dedicated Team Space

Serendipity Labs has always been committed to delivering trusted, safe and welcoming workspaces. Our enhanced service and cleaning standards will help you get your team back together in safe workplaces that are close to home, but not at home, on demand.

TeamHub is the Ideal Solution for:

- Overflow space as you spread out your teams
- Separating teams for Business Continuity / Disaster Recovery requirements
- Transitioning teams out of a home-based office
- Remote and mobile workers that don't need access to a desk full-time

Benefits of TeamHub

- Safe, professional and private office environment for teams of any size
- Fully furnished and move-in ready
- 24/7 access for all users
- Inclusive of high speed, enterprise grade WiFi
- Transferrable memberships between users
- Utilization tracking

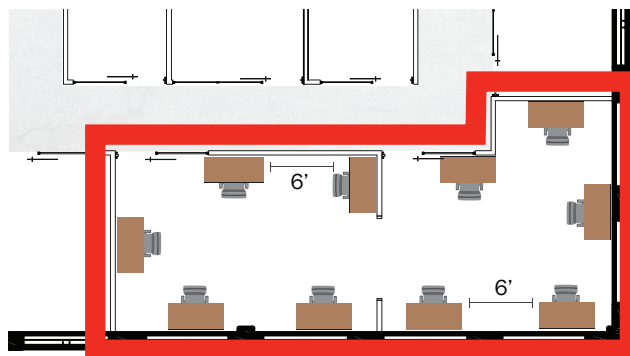

Configure Your TeamHub to Your Needs

Create a dedicated and branded space within any Serendipity Labs that designated employees can access full or part-time.
