

Center for Novel Therapeutics
SAN DIEGO

UC San Diego's Science Research Park

BioMed Realty's partnership with UC San Diego launches a new initiative by way of the Center for Novel Therapeutics (CNT) that will facilitate the transition of research from the laboratory into the clinic and from the campus to the marketplace. CNT will:

- Promote new personalized therapeutics through research conducted by UC San Diego investigators and private sector collaborators in shared space
- Create the first academic-industry drug discovery incubator site in San Diego
- Conduct novel therapeutic, prevention, diagnostic, and imaging intervention-directed research leading to early stage and advanced clinical trials

Center for Novel Therapeutics
SAN DIEGO

Welcome to CNT

a collaborative hub for transforming research
into life saving treatments around the world

Located on the University of California San Diego, Science Research Park, the Center for Novel Therapeutics is in the heart of an area rich in academic researchers, healthcare institutions and life science and technology companies.

Surrounded by the
brightest minds

UC San Diego's Science Research Park

UC SAN DIEGO'S SURROUNDING BUILDINGS

▲ UC SAN DIEGO'S SCIENCE RESEARCH PARK

- 12 La Jolla Institute for Allergy and Immunology
- 13 Kyowa Hakko Kirin California, Inc.
- 14 Center for Novel Therapeutics

Streamlined connectivity

The 137,500 sq ft research center leverages the strength of the university's world renowned doctors and research at the Moores Cancer Center with private sector companies looking to translate research into helping cancer patients throughout the world.

CNT offers exclusive access to the following Moores Cancer Center Core Lab Services:

- Biorepository and Tissue Technology
- Biostatistics
- Diet and Physical Activity
- Flow Cytometry
- Genomics and Computational Biology
- In Vitro Imaging
- Microscopy
- Transgenic Mouse

CONFERENCE CENTER

- Seven conference rooms for a variety of space needs including a training center, huddle rooms and boardrooms including teleconferencing abilities

ATRIUM

- The heart of the building provides a place for impromptu gatherings as well as event space for corporate functions

RESTAURANT

- High Tide Café serves breakfast, lunch and happy hour

MODERN FITNESS CENTER

- State-of-the-art fitness equipment & Yoga/Pilates room with showers and lockers

An atmosphere for
fostering creativity

Driving sustainable futures

The Center for Novel Therapeutics is LEED® Gold certified. Environmental best practices include:

- High efficiency water-cooled central cooling and heating plant with variable frequency drives
- VAV air handling system
- LED light fixtures throughout the building
- Renewable energy from photo-voltaic panels
- Building integrated photo-voltaic panels in the glass roof of the atrium
