PROFESSIONAL BACKGROUND

With over 25 years of Commercial Real Estate Experience, Jace continues to exceed expectations with his client focused approach and dedication to building lasting relationships with his clients. While working with investors and clients within the commercial real estate industry, Jace has developed a unique and diversified skill set to assist clients and maximize their objectives.

His multidisciplinary commercial real estate background has provided consultative and real estate brokerage services ranging from complex land assemblage assignments, development, 1031 tax deferred exchanges, acquisition and syndication of commercial properties, and structuring a firm dedicated to providing client centered commercial real estate brokerage services and full service asset management and property management services.

EDUCATION

As a graduate of Purdue University and The Krannert School of Business, achieving a bachelor of science degree in Management & Finance, Jace initially pursued his sales and management interests within the financial world with Prudential Preferred Financial Services, specializing in estate planning and small business planning. This established his passion for client interaction and desire to help others achieve their financial goals. He then turned to the real estate arena and joined his father in the mid 1990's to further his career and begin the evolution of Murray Commercial. As the firm has evolved to become a full service real estate brokerage and asset management company, he has been instrumental in enhancing the firm's ability to provide best of class services within the commercial real estate industry.

MEMBERSHIPS
