THE OPPORTUNITY

Railtown District's first new strata commercial office and flex industrial development in over 50 years.

Corbel Commercial presents an exceptional freestanding tech-focused, office, and flex-industrial asset in the emerging Railtown district at 353 Railway Street. Newly renovated modern 6-storey building designed by Gair Williamson Architects. The subject property is constructed with concrete slabs and columns, fibre optic building, 17 secure underground parking stalls spread over 2 levels, and an oversized passenger/freight elevator. Each floor includes a private kitchenette, two washrooms, and North and South facing balconies overlooking the Burrard Inlet and Northshore Mountains to the north and inspiring city views to the south. The first level is currently leased by Haven, an independent premium multi-brand retailer.

Additionally, the I-4 Industrial zoning allows for a wide range of uses including creative manufacturing, light industrial, and digital entertainment and technology uses. With character light industrial buildings and several commercial developments slated for the immediate future, Railtown is a strategic location just east of Gastown and minutes to the Downtown core.
