ABOUT THE PROPERTY

Interchange East is a strategically positioned industrial business park in the heart of East Austin, designed to support logistics, distribution, and light manufacturing operations. Located just minutes from Downtown Austin and Austin-Bergstrom International Airport, the park delivers rare infill access to SH-183, SH-290, TX-130, and I-35 - providing efficient regional and last-mile connectivity.

With flexible suite sizes, Interchange East allows tenants to scale within a cohesive campus environment. The park's established industrial setting, combined with proximity to Austin's growing workforce and employment centers, positions Interchange East as a compelling solution for companies seeking operational efficiency in a supply-constrained market.
