## ABOUT BRENTWOOD

Brentwood, CA is located 55 miles east of San Francisco in the Eastern Contra Costa region. The City of Brentwood has a long and storied history of agriculture and farming production and has since benefited from the East Bay's substantial economic expansion since the great depression. As a result, retail occupancy levels have remained high, and vacancy rates in Brentwood and the rest of the East bay are among the lowest in the county in comparison to other major markets. Brentwood has experienced immense residential growth over the last several years with no signs of stopping. The City offers unique agri-tourism experiences during the late spring and summer months, attracting people from all over the Bay Area.

## LOCATION DESCRIPTION

The Sand Creek Road development site is a 5.29 acre piece located at the intersection of Highway 4 and Sand Creek Road in Brentwood, CA. Coming soon on the northern portion of the project will be a national, sit-down restaurant with an outdoor patio. The southern portion of the land is available for lease/for sale. The site offers great freeway visibility and is adjacent to two of Brentwood's prominent shopping centers, Sand Creek Crossing and The Streets of Brentwood. The property's accessibility to Highway 4 makes this one of the most desirable sites in the area.
