Zoning Ordinance	Click Here
Zoning Designation	MU-SB-100: Mixed-Use South Boulevard
District Purpose	This district is intended to facilitate the transformation of the southeastern portion of Laurel Street into a mixed-use corridor. The physical form varies to transition from MU-N-40 west of Laurel Street to MU-SB-120 on El Camino Real. This district allows a mix of residential development of up to one hundred (100) units per net acre and retail and commercial uses.
