Taxes: \$0 Lot Size: 110 X 66 Irr Lot Sqft: 7260
Year Built: 1938 Building Size: 81 x75 GLA: 9990 Zoning: R5
Year Renovated: 1938

48-63 58th Street in Woodside, NY, presents an incredible opportunity for community facilities and religious organizations. This expansive two-story house of worship, constructed in 1938, sits on a lot with dimensions of 110x66 (Irr) and features a building footprint of 81x75. The property is zoned R5, making it suitable for a variety of uses, particularly for public gatherings, religious services, and community events. Located in the heart of a vibrant, culturally diverse neighborhood, the property enjoys high visibility and is surrounded by a bustling local community, offering an ideal environment for engaging with the public. Conveniently located near major transportation options, including the 7 train, the Long Island Railroad, and several bus routes, the building offers easy connections to Manhattan, Queens, and other parts of New York City.
