Varied office layouts and customizable designs allow you to create a workspace that expresses the uniqueness and meaning behind your brand. The entire 75-acre site is flush with extensive landscaping, green belts, calming pathways and relaxed common areas that can be used to take calls, work from a laptop, or simply decompress in the outdoor atmosphere.

## THE HARBOR GATEWAY DIFFERENCE

Our passion is helping businesses thrive. Flexibility remains a key pillar to the philosophy of this modern business park. Harbor Gateway was conceived and built to accommodate businesses of various sizes and needs. Allowing companies to adapt their needs within the framework of the Harbor Gateway campus helps make it one of the most innovative and attractive places for a company in Southern California to call home. Harbor Gateway is one of the flagship business properties within the vast Segerstrom portfolio, a family with over 120 years of history in creating the heart of Orange County in Costa Mesa.
