Dear Mr. Rooney,

This is official notice that after a public hearing on April 20, 2022, the Metropolitan Development Commission approved and recommended the above-referenced Zoning Ordinance to the City-County Council for adoption. Said Ordinance was duly certified by the Administrator of the Division of Current Planning to the Clerk of the City-County Council, as required by Statute.

The City-County Council, on June 6, 2022, did not schedule said Ordinance for public hearing. This Ordinance, therefore, is deemed adopted by the City-County Council and in full force and effect.

Zoning Ordinance 2022-ZON-006 was approved to the C-7 classification and is subject to the commitments recorded as Instrument No. A202200065216 in the office of the Recorder of Marion County, Indiana, a copy of which is on file in the offices of the Metropolitan Development Commission.

Sincerely,

Matt Pleasant, AICP  
Current Planning Administrator
