

WESTERN NEBRASKA

Panhandle Drilling Inc.

118 NORTH FIRST STREET | HAY SPRINGS, NEBRASKA

OFFERED AT \$499,000

Rare opportunities like this don't come up every day! Here is your chance to own a well-established well service business across the Mirage Flats of western Nebraska. Panhandle Drilling Inc. was established in 1985 and has been in business for over 38 years. They have an endless customer base from western Nebraska and up into the southern part of South Dakota. The business is currently running out of Hay Springs, Nebraska, where the headquarters sits on just over half an acre. The main building was built in 1930, which is currently used as the main office. In 2014, a new shop was built on the north end of the lot. The 40x80 shop is 3,200 square feet, with 6" concrete all the way through, with the east side of the building set up for an optional office, already framed out for windows and access to water and plumbing in the floor.

Please note: Offering is subject to errors, omissions, prior sale, change or withdrawal without notice and approval of purchase by owner. All information regarding land classifications, acreages, building measurements, carrying capacities, potential profits, etc. are intended only as general guidelines and have been provided by sources deemed reliable, but whose accuracy we cannot guarantee. Prospective buyers should verify all information to their complete satisfaction.

This is a turn-key business with everything you need to run a well service business! Panhandle Drilling currently works on most house and livestock wells, windmills, and sells and installs submersible pumps of all sizes along with complete solar system setups. All inventory will be required to be purchased with the business separately and the equipment is included with the sale. To top off this great opportunity, the sellers are willing to stay on board for six months or however long is needed to teach the business to the new owners. Don't miss out on this opportunity to own your own business in beautiful western Nebraska!

Equipment List:
