Medical/Office Condominium For Sale | 4,875± SF

1900 E Bay Drive, Largo, FL 33771

This 4,875± SF medical/office condominium is located within East Bay Plaza on East Bay Drive in Largo and offers a unique opportunity for both investors and future owner-users. Built in 2007, the space features a well-designed medical floor plan including 5 private offices, 4 exam rooms with plumbing, laboratory area, large conference/classroom, reception and waiting areas, and kitchen/break area. A rare feature of the property is the inclusion of three private birthing suites, each with a full private bathroom with shower. Each birthing suite has an exit to an outside area, private to the birthing suites, making the space ideal for women's health providers, specialty medical practices, wellness clinics, or other healthcare users. New owner will have access to 50% use of the monument signage on East Bay Drive.

The property currently has an existing tenant in place with flexibility for future owner-user occupancy, providing the potential for immediate income while allowing a future buyer the opportunity to occupy the space. The property is located near Royal Palms and Heron House of Largo, both large, assisted living facilities that contribute to a strong demand for medical and healthcare services in the immediate area. Positioned within the East Bay medical corridor, the property benefits from convenient access to major thoroughfares, surrounding medical providers, and nearby residential communities, making it an excellent opportunity for both investors and medical owner-users seeking a turnkey facility in the Largo market.
