This Disclosure Form is from the National Lead Information Center under the United States Environmental Protection Agency. This is not a New Hampshire Association of REALTORS® form.

Agency. This is not a New Hampshire Association of REALTORS® form.
Property Address: 1 Ridgewood Circle, Epsom, NH 03234
Every purchaser of any interest in residential property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.
Seller's Disclosure
(a) Presence of lead-based paint and/or lead-based paint hazards (check (i) or (ii) below):
(i) Known lead-based paint and/or lead-based paint hazards are present in the housing (explain).
(ii) Seller has no knowledge of lead-based paint and/or lead-based paint hazards in the housing.
(b) Records and reports available to the seller (check (i) or (ii) below):
(i) Seller has provided the purchaser with all available records and reports pertaining to lead-based paint and/or
lead-based paint hazards in the housing (list documents below).
