

A floor plan diagram of a laboratory suite. The plan is divided into several colored regions: a large light orange area at the top left, a large light green area at the bottom left, a dark grey area at the top right, a medium green area at the middle right, and a light grey area at the bottom right. The orange area is labeled 'Shared Open Office' and '~1,300 SF'. The green area is labeled 'Shared BSL2 Laboratory' and '~1,200 SF'. The dark grey area is labeled 'Shared Conf. Room'. The medium green area is labeled 'Office'. The light grey area is labeled 'Storage'. The diagram shows the spatial arrangement and relative sizes of these functional areas.

Shared Open Office

~1,300 SF

**Shared
Conf.
Room**

Office

Storage

**Shared BSL2
Laboratory**

~1,200 SF
