Property Overview

Waterfront Industrial Development - Chickasaw Marine Terminal I

Located in Mobile, Alabama, Chickasaw Marine Terminal I is a premier heavy industrial site offering seamless multimodal access via vessel, rail, and truck. Positioned near the Mobile River, Port of Mobile cargo terminals, and the Gulf of Mexico, the site ensures efficient connectivity for domestic and international logistics. Currently available is 110,696 SF of warehouse space, +/- 10 acres of yard area and 2 docks totaling 2,200 LF. Rail infrastructure is in place with Norfolk Southern service, and future expansion opportunities are available to enhance rail access. The terminal is equipped with 480-volt, 3-phase power and industrial utilities, supporting a wide range of operations.
