"Pahrump Medical Center was the ideal solution for my medical practice. I used to wonder how I would expand my practice to Pahrump without high overhead costs and losses for more than a year; within one month all of my problems were solved."

-CARDIOLOGIST TESTIMONIAL

The Pahrump Medical Center serves medical tenants and professional businesses in the greater Pahrump community. It is truly a "win-win-win".

- The specialty doctors, therapists, & businesses win because they can build a practice in a proven medical center
- The patients win because they do not have to travel a 120 mile round trip to Las Vegas to see their specialists
- Other tenants win because of the synergy of additional medical traffic in the same center
