FERNLEY OVERVIEW

Fernley is in the middle of one of the fastest growing areas in the United States. The factors that drive this growth are lifestyle, career opportunities, a business-friendly state government, education at all levels, a tax structure that is friendly to residents and businesses, a temperate climate, and proximity to limitless outdoor activities.

Located just 13 minutes from the new Tesla site and 30 minutes east of the Reno-Sparks metropolitan area, Fernley is home to several Fortune 500 companies such as Amazon, Trex, UPS Worldwide Logistics, and Sherwin-Williams that have taken advantage of affordable industrial parks and large land parcels with access to transportation systems serving the major West Coast markets.

FINANCIAL & BUSINESS ADVANTAGE

Fernley is the perfect package. A business and tax friendly environment, unmatched quality of life, and a logistics hub make this a great location for many businesses. From exemptions to abatements, to deferrals, to the complete absence of taxes, operating your business in Fernley adds to your bottom line.
