INVESTMENT OVERVIEW

Investment Overview:

This offering consists of the purchase of the Motel 6 in a prime location. The property is a 68-room hotel over three commercial spaces located in the heart of San Francisco's rapidly growing Civic Center / Mid - Market Districts. The 68-room hotel consisting of 48 Tourist Rooms and 20 Residential Rooms. The hotel rooms are all in incredibly good condition and each room has its own private bath and shower facility. There is a large lobby area and community space for guest to mingle. All hotel rooms and common areas have undergone a multi-million-dollar renovation in the last 24 months. The building consists of a six story plus basement concrete structure of 29,171 square feet on a 5,031 square foot lot.

This is a great opportunity for a hotel operator to purchase a hotel in one of the strongest hospitality markets in the country and specifically in a neighborhood that has been experiencing rapid growth in business, rents and real estate values. The upside potential is substantial in operating a nightly and or monthly hospitality business in a dynamic area of high-tech companies, governmental agencies and performing arts and museum location in San Francisco.

Location Overview:

The Motel 6 is in the heart of the Civic Center / Mid-Market areas of San Francisco. The Hotel is steps away from City Hall, Federal Court Buildings, Hastings Law School, Bill Graham Civic Auditorium, The San Francisco Opera, Symphony and Ballet Buildings. The Hotel is in walking distance to Shopping, Restaurants, Bars, Art Galleries, and Performing Arts.

The Mid-Market area is home to San Francisco's new technology economy and the heart of the Millennial culture. Leaders in the technology economy paved the way for the urban renaissance of San Francisco's Mid-Market district. Driven by a new wave of entrepreneurial spirit and an incredible appetite for large blocks of creative office space, Twitter, Uber, Square, and others are remaking the Mid-Market district by combining the tech campus tradition with the irreplaceable live energy of a true gateway city. Consequently, the submarket has experienced strong rental demand from the growing labor base of young technology workers, artists, and other single professionals who desire to live within walking distance to their offices.

In addition to being in one of the most rapidly improving areas of San Francisco, the Hotel is just steps away from San Francisco's major public transportation hubs, multiple Muni lines, the Bart, and the Caltrain. It is located a short distance from San Francisco's Theatre District, Financial District, Union Square, Hayes Valley, Performing Arts and Civic Center areas surrounded by a multitude of shopping, museums and restaurant options. Being in such a central location, the property is in one of the busiest areas of San Francisco.

San Francisco is California's strongest lodging market. The allure of San Francisco has always made it one of the most coveted international destinations and keeps tourists coming year-round. With its continued growth and current economic boom, hotel rooms in San Francisco remain in high demand.
