# INVESTMENT SALE OPPORTUNITY | INDUSTRIAL

## PROPERTY OVERVIEW

1742 Denver Ave features a 6,250 SF building on a 0.71-acre lot in Weld County's C-3 zoning district. The property offers excellent visibility along US 85 and is well-suited for contractor shops, industrial operations, and other commercial users needing both indoor space and outdoor storage. C-3 zoning permits outside storage, and the site already accommodates it with room for expansion. Surrounded by Fort Lupton I-2 zoning, the location further supports industrial and contractor-related uses and could most likely be annexed into Fort Lupton with some additional requirements and granted I-2 zoning.
