Mixed-Use Complex

Canal Place, with its industrial heritage as home of the BFGoodrich rubber factory continues to transform into a unique, expansive environment for both office and warehouse/flex users looking for an innovative new space for their business. With over 1 million SF of space and various floorplates and suites available, the intriguing opportunities are endless.

Prime Location in Akron, OH

Located within walking distance of the cultural hot spot of downtown, with easy access to Rt 8 and I-76 and I-77, Canal Place is very close to additional restaurants and interesting attractions such as the ball park, zoo, Lock 3, and the Akron Civic Theatre. The University of Akron and Akron Children's Hospital are conveniently located nearby as well.

Cool, Classic, Inviting Space

The classic appearance of wood and stone has been preserved within the walls of these 8 historic buildings while a contemporary new look and feel has been created utilizing glass and stainless steel. The abundance of natural light and terrific views through the large windows pair well with the adaptable floor plan layouts.

Top-notch service at the fresh new Canal Commons Café & Eatery

New 5,000 SF state-of-the-art fitness center with locker rooms

Multiple move-in ready suites

Mixed-Use Complex
