 Google 5-Star Review 

"If you currently have a WFH situation, give HANSA a try! You will not regret it. The space is welcoming, clean, and has a motivating energy to it. They offer secure 24/7 access making it easy to come and go on a schedule that suits you. Beyond the space, the people are wonderful. The staff is helpful and friendly and the other members have become unofficial co-workers of sorts. ***Try a day pass drop in, become a monthly member, get your permanent office... whatever fits your needs, you'll be so happy to made the move!***"

2

Be Motivated By The Other Professionals Around You

 Google 5-Star Review 

"I wish I could give HANSA 10 stars. I'm self-employed and joined HANSA after almost 4 years of struggling to be productive while working from a home office. HANSA is a **motivating business environment** with cool people and friendly staff that is open 24/7 for members. Working from HANSA has helped me get my work done faster and also allowed me to establish a boundary between home and work - all of which has not only benefited my business but has given me the kind of work-life balance that I have not had in several years...HANSA is worth every penny and I look forward to being here for a long time."

3
