- (16) No-impact home-based business as accessory to a residential dwelling. **[Added 10-21-2003 by Ord. No. 129-L-03]**

F. Design and landscaping controls. The following shall be applicable for all uses in the BP District: **[Amended 4-7-2015 by Ord. No. 129-E-2015]**

- (1) All applicable controls in § 240-27C and E.
- (2) New structures built after April 7, 2015, shall incorporate a complete visual screen for all rooftop structures (except roof-mounted solar panels), including but not limited to heat pumps, cooling towers and other mechanical equipment. All rooftop structures

(except roof-mounted solar panels) shall be screened from view by a single piece of the building structure which is aesthetically compatible in design, materials and color with the building facade and which is at least equal in height to the highest rooftop structure. (See examples in Sketch D<sup>1</sup> in the Appendix.)

(3) For structures built prior to April 7, 2015, an existing rooftop structure may be replaced with a new rooftop structure of the same (or smaller) size in the same location. If the replacement rooftop structure is larger than the existing rooftop structure or is placed in a new location on the roof, or if a new rooftop structure (except rooftop solar panels) is proposed to be installed, the rooftop structure shall be painted to be aesthetically compatible in color with the majority of the other rooftop structures and the building facade. If the rooftop structure cannot be painted for any reason, it shall be screened as required by Subsection F(2) of this section.

(4) Businesses are strongly encouraged to provide informal outdoor eating areas for employees, such as picnic tables with landscaping and trash receptacles.

G. Lot area, width, building coverage, height and yard regulations. The following requirements apply to each use in the BP District, subject to further applicable provisions of this chapter.
