Zoning information

The Traditional Neighborhood Residential District (INR) is a predominately single family residential area. Other uses such as mobile homes, multi-family dwellings, small offices and businesses are allowed in the district as long as they do not detract from the character of the small scale residential uses. Additional standards are placed on these uses to mitigate their impact on single family uses. Small offices and businesses are appropriate in this district as long as the use respects 'the integrity of the residential nature of the neighborhood and offer services needed to the residents. Government buildings, schools, and parks are also appropriate uses for the Traditional Neighborhood Residential District. Standards for all uses in the district are designed to protect the health, safety, and welfare of the citizens of St. Stephen.

4.3.3: Uses

A. Permitted Uses: The following uses are permitted in the TNR district provided that all Specified standards are met.

1. Single Family Residential Building
