Point Loma

Near downtown and San Diego International Airport, and anchored by the Navy Base and San Diego Yacht Club, Point Loma is one of the oldest communities of San Diego. A peninsula jutting into the sea, the area features picturesque marinas from which sportfishing excursions, whale watching tours and harbor cruises depart.

With spectacular views of the Pacific Ocean, Downtown and America's Cup Harbor, Point Loma is one of the area's most desirable and affluent communities. The nautical industry continues to have a strong presence in the community as does the military. Shelter Island is home great dining destinations and Humphrey's on the Bay, one of San Diego's best concert venues. The Cabrillo National Monument is the nation's second-most visited National Park. Tourists and locals alike enjoy the historic Point Loma Lighthouse.

More recently the nearby 361-acre waterfront urban village of Liberty Station has emerged as a new central arts and entertainment destination for San Diego.
