PROPERTY SUMMARY

22757 WOODWARD AVENUE

Strategically positioned at the hard corner of 9 Mile Road and Woodward Avenue, 22757 Woodward sits at the primary gateway to downtown Ferndale - one of Metro Detroit's most vibrant, walkable, and culturally dynamic communities.

Ferndale is widely recognized for its eclectic mix of locally owned shops, restaurants, art galleries, and nightlife, attracting a diverse and growing population of residents, entrepreneurs, and visitors. The city is a hub for creativity and progressive business, offering strong foot traffic, community events year-round, and a business friendly environment that continues to fuel economic growth and development.

The property features a fully leased second floor occupied by professional office tenants. The ground floor includes two established retail tenants: Jim Shaeffer and Associates and Woodward Market Convenience Store. In addition, a white-box unit (1,061 SF) on the ground floor presents an excellent leasing or redevelopment opportunity. This space can potentially be combined with the former Grasshopper Underground, a well-known entertainment venue. The former venue includes a main

Woodward Ave

floor service bar and a finished lower level with two service bars, restrooms, office space, storage, and elevator access -making it well-suited for a variety of hospitality or event-based uses.

A notable value-add component is the proposed rooftop patio. Completing this feature would further elevate the property, creating a one-of-a-kind entertainment or dining destination that capitalizes on Ferndale's lively atmosphere and strong market demand.

A Class C liquor license - with extended hours, dance/entertainment endorsements, and Sunday sales - is available for purchase separately from the real estate, offering additional flexibility and revenue potential for the next operator or investor.

Bordering the northern reaches of Detroit, Ferndale is a progressive city with a population of about 19,000 residents.

Longstanding establishments and preserved older homes give this Oakland County city a nostalgic feel.

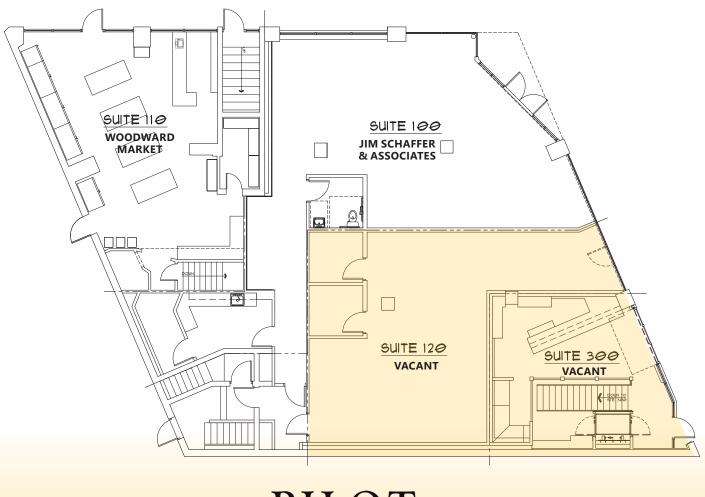

The intersection of Nine Mile Road and Woodward Avenue creates the heart of downtown where innovative shops, storefronts, dance clubs and numerous restaurants draw locals and tourists alike. Big box stores sit at the intersection of Woodward and Eight Mile Road for centralized errands. The Ferndale Farmers Market runs from May through September.

As stated within Ferndale's master plan, the city's guiding principles of inclusivity and sustainability set its path into the future. The Southeast Michigan Council of Governments predicts continued population growth, estimating an increase of 8.4% by 2030. At the same time, the city has set an environmental vision, aiming to decrease its emissions by 63% by 2030 and become carbon neutral by 2050, following a climate action plan to combat global warming.

The city of Ferndale is known for high-level community support and services, award-winning schools and library, and is part of the MotorCities National Heritage Area.
