LOCAL AMENITIES

Egg N Bird was founded in 2021 across the street. What started as a small family restaurant has grown to over 4 locations with many more in development. Egg N Bird was created by Claire Chang, a rising star in the culinary world known for her innovative Korean-infused dishes. Claire's journey began in her childhood, was honed at Le Cordon Bleu in Paris, and further refined at Jean Georges, a Michelin-starred restaurant in New York.

Her menu, centered on simple ingredients like eggs and chicken, showcases the rich flavors of Korea enhanced by her global travels. As Egg N Bird grows, Claire remains dedicated to her heritage and aims to spread joy and hope through her food.

AREA OVERVIEW

100 YEARS OF MAYWOOD

Embark on a journey through time as Maywood celebrates a remarkable milestone - 100 years of community, culture, and progress. Join us for an array of exciting events honoring our rich history and promising future. From the grand Centennial Celebration to the symbolic Centennial Tree Planting, each moment commemorates a century of resilience and growth.

Maywood is proud of its Parks and Recreation Department which has its own long and interesting history. The Maywood Park, located at 58th Street and Heliotrope Avenue, had its beginnings in the 1930s when the present-day baseball field was a large meadow. In the early 1950s, Maywood Park became the home of the Golden State Baseball Association. Now, more than 80 years since incorporation, Maywood retains its small atmosphere, though surrounded by a massive metropolis. Maywood still offers an ideal residential community for those who work in surrounding communities.

As one looks around Maywood today, sweeping changes can be seen, such as four new shopping centers at the corner of Slauson Avenue and Atlantic Boulevard; a new senior citizens complex; a new 2.8 million dollar, multi-purpose facility, an industrial complex on Maywood Avenue, and numerous brand new businesses springing up in the city.

FRONT DOOR TO THE CITY

Situated at the main entrance to Maywood, 5900 Atlantic Blvd isn't just another retail location — it's the first impression for tens of thousands of daily visitors and residents entering the city. Being located at the city's major intersection of Atlantic and Slauson ensures that businesses benefit from high levels of spontaneous foot traffic and vehicle visibility, creating a steady stream of potential customers day and night.

COMMANDING TWO MAJOR TRAFFIC ARTERIES

The center sits prominently on **Atlantic Boulevard & Slauson Avenue**, two of the most heavily traveled arteries in the region. Both streets are lifelines that not only connect Maywood to the surrounding communities but also serve as direct corridors to major freeway on- and off-ramps. Easy freeway access means a broader customer base and convenient travel for shoppers coming from throughout Southeast Los Angeles County.

CAPTURE THE MOMENTUM

In real estate, location is everything — and 5900 Atlantic Blvd has it all. High traffic. Prime visibility. Immediate freeway access. A gateway location into a growing community. Tap into one of the region's most promising retail opportunities, there's no better address to make your mark.
