Tax Abatement

15-year tax fixing agreement in place, reduces taxes by over 50%

Green Building

Cutting edge LEED Platinum design and combined heat and power keeps utility costs low

Lower Level

777 Main Street, located at the epicenter of downtown Hartford, is the perfect site for urban retail businesses.

Great visibility. Flexible space. Easy Access. Hefty loading facilities.

And customers: 500 people living upstairs and 278,000 in the trade area, over 12,000 pedestrians and 10,000 vehicles pass the building on a typical weekday.

Location Location Location

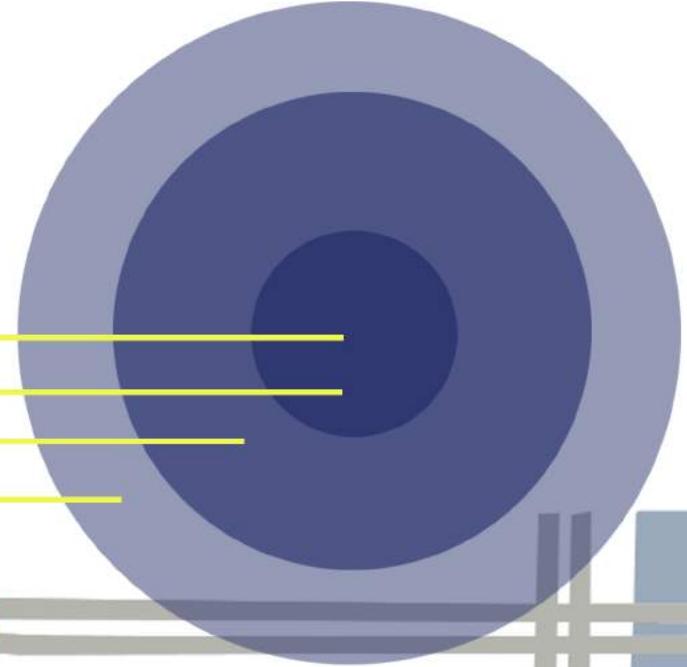

The site is within 3 blocks of 10 million SF of office space and 100,000 professionals working predominantly in the insurance, IT, banking, government and legal fields.

The college student population will grow to 10,000 when the UCONN campus moves downtown in 2017. 2 blocks away is the Connecticut Science Center and XLCenter arena and convention center. I-91 and I-84 are just 3 blocks away. 777 Main's 26-story tower offers great visibility and serves as the backdrop for the local evening news.

10,000 college students learn downtown
100,000 professionals work within 3 blocks
155,000 people live within 3 miles
278,000 people live within 5 miles

Who's your target customer?

We have the right concentration:

Growth

Downtown Hartford is undergoing a renaissance with 5 new apartment communities opening over the past year, with 777 Main at the center. The UCONN campus is moving its West Hartford campus to its downtown location, three blocks south of 777 Main by the fall of 2017 and the region's new AA baseball stadium is under construction and will open three blocks north of 777 Main by the Spring of 2017.
