Kinsley Properties is a privately held real estate development and management company. The company develops new projects and acquires existing properties to hold long term in a real estate investment portfolio. The company develops and acquires real estate in partnership with others or to be wholly owned. The company is organized and staffed to complete the entire processes of development, acquisition, construction, leasing and asset management of the properties held in our portfolio. The company has 50 years of experience developing and managing a diverse portfolio of property types including planned office and business parks, industrial projects, residential subdivisions and individual properties in multiple markets within the Mid-Atlantic region. Our purpose is to maximize the long-term investment returns to our partners and owners.
