Executive Summary

Mixed-Use Commercial/Residential/Garage-Storage (Live - Work)

1200 40th St S presents a rare opportunity to acquire a fully renovated mixed-use asset in South St. Petersburg that is equally well suited for an owner-user, investor, or live/work occupant. The property totals approximately 2,160 square feet and includes three highly functional components: a 1,080 SF office/commercial suite on the ground floor, a 1,080 SF three-bedroom, one-bath apartment on the second floor, and a detached two-car garage/storage building. Positioned on a corner lot with fenced outdoor area and alley access, the asset offers strong utility, flexible occupancy options, and multiple avenues for income generation.

The property has undergone extensive recent renovations, creating a true turnkey opportunity with reduced near-term capital needs. Improvements include two new HVAC units, new hot water heaters, updated electrical, new flooring, new cabinets, new appliances, and a roof installed in 2020. Separate electric meters for the residential and commercial spaces enhance leasing flexibility and operational efficiency, while the detached garage/storage structure, built in 2013 to newer code standards, adds valuable ancillary utility for storage, workspace, or supplemental use. With vacant possession and a move-in-ready condition, the property is well positioned for immediate owner occupancy or lease-up.

Market Overview

A LOCATION PRIMED FOR GROWTH AND QUICK ACCESS TO TAMPA AND DOWNTOWN ST. PETE

• LARGE & DIVERSE METRO ECONOMY

The Tampa–St. Petersburg–Clearwater MSA is home to 3.3M+ residents, ranks as the 17th largest metro in the U.S. and the 2nd largest in Florida, and supported 1.53M nonfarm jobs at the end of 2023. The economy is led by professional and business services, trade/transportation/utilities, and education/health services, while also ranking 7th nationally for economic diversity—a strong signal for long-term market resilience.

• REDEVELOPMENT & INVESTMENT MOMENTUM

St. Petersburg continues to benefit from major redevelopment activity, including the City’s 86-acre Historic Gas Plant District / Tropicana Field redevelopment opportunity, which is being positioned for a large-scale mixed-use future with housing, office space, retail, entertainment, research, innovation, and education uses. This reflects meaningful long-term public and private investment momentum in the urban core.

• TOURISM & VISITOR SPENDING POWER

St. Pete-Clearwater welcomed more than 14.9 million visitors in 2025, generating more than \$10.2 billion in total economic impact and \$6.1 billion in direct visitor spending for Pinellas County. Tourism remains a major regional economic engine that supports hospitality, retail, services, and broader business activity across the market.
