

## Private Warehouses with Logistics Support Built In

Flexible warehouse suites with 24/7 access, loading equipment, and concierge-level logistics support

Smooth warehouse & storage operations aren't accidental - they're engineered. Crate gives you a private warehouse with power, security, loading equipment & dock access, and live support built in. The essentials are in place before your team steps on site.

- 6 or 12 month rental terms available
- All utilities & commercial grade wifi included
- 26 dock-high & ramp loading docks
- 24/7 Controlled Access & Security
- Equipment Access - Forklift, pallet jacks & flatbed carts
- Stocked Break room
- On Demand assistance for loading, unloading, & shipping from our dedicated management team M-F

**See how smooth warehousing can be. Tours available M-F by appointment**
