SITE PLAN

THE GREEN AT FLORHAM PARK

THE GREEN AT FLORHAM PARK strives to be the most unique and desirable mixed-use corporate campus in New Jersey. The Green at Florham Park, being developed by Rockefeller Group Development Corporation, is a 268-acre master planned development located on Park Avenue in Florham Park, NJ.

Brand-new, world-class buildings within the campus are now the home to the BASF North American Headquarters, Summit Medical Group, and The New York JETS. The Green at Florham Park is also the future home of AVE Florham Park, which provides 256 corporate suites, The Archer Hotel, a sophisticated 161-key boutique hotel, Summit Medical Group / MD Anderson Cancer Center, providing world class cancer care, and a residential community. The remaining parcel can accommodate 300,000 square feet of Class A corporate office space. The corporate campus is situated at the front door of the project, accessible immediately upon entering the campus from the existing signalized entrance point off of Park Avenue.
