About Liberty Tower

Locate your retail business on the first floor of South Bend, Indiana's premier downtown building - the Liberty Tower. At 25 stories, this landmark is the tallest building in north-central Indiana and it dominates the prime corner in Downtown South Bend. It is in the final stages of a complete renovation and conversion to an upscale hotel and apartment property. The stylish boutique hotel Aloft is up and running with 187 new rooms, and 100 luxury apartment units are now under construction on the building's upper floors. All units offer matchless views of the City, the St. Joseph River and East Bank Areas, and the two iconic landmarks on the University of Notre Dame campus, the steeple of the Basilica and the Golden Dome.

Downtown South Bend is the workplace of more than 20,000 people and the location of nearly 400 apartment units with another 400 units in development. More than 600 quality hotel rooms serve downtown in three properties – the DoubleTree, the Aloft, and the Courtyard by Marriott . It is also home to the Century Center, an award-winning convention center on the St. Joseph River featuring 100,000 sq. ft. of adaptive, beautiful meeting and event space. Also gracing South Bend's downtown is a world-class civic auditorium-the historic Morris Performing Arts Center. The downtown's south gateway is anchored by the spectacular Four Winds Field, the home of the Class A baseball affiliate - the South Bend Cubs. Throw in the South Bend Chocolate Company and multiple quality restaurants and you round out the vibrant and growing Downtown South Bend.
