Market Overview

The Greater Reno-Tahoe's business and economic climate is experiencing a major boom and the ramifications are far reaching. In fact, Nevada was ranked number 7 in the 2023 State Business Tax Climate Index, according to the Tax Foundation. With the area including major cities such as Reno, Sparks, Carson City, Fernley, and Incline Village, there is plenty of room for expansion. With the benefits of Nevada's low tax on businesses - and a satisfying quality of life, it's a wonder why a business or developer would choose anywhere else. The region's optimal location to San Francisco, Portland, Salt Lake City, Las Vegas, and Los Angeles all within a day's drive is just another added benefit.
