# COMMUNITY BUILDERS OF KANSAS CITY

## PEAK REAL ESTATE PARTNERS

Community builders of kansas city (cbkc) - formerly swope community builders -is kansas city's largest urban core developer strengthening families and transforming communities. A not-for-profit community development corporation, cbkc personally works with the neighborhoods they serve to build meaningful relationships, acting as community convener, facilitator and resource for services. Since 1991, cbkc has invested \$300 million in urban renewal, earning recognition and respect on the national community development stage.

Cbkc developed more than 750,000 square feet of commercial/institutional space and continues to own/operate more than 500,000 square feet of that space in the urban core. Our commercial projects provide employment opportunities and the kind of retail, dining, grocery, banking, health and social services essential to experiencing a good quality of life.

Cbkc's track record as a strong, stable and experienced community development corporation has resulted in commercial projects that have revitalized and restored underserved areas in the city.
