303 Note: An Owner of Property enrolled in the Clean and Green Program must submit notice of the sale and any proposed changes

305 of Property enrolled in the Clean and Green Program may result in the loss of program enrollment and the loss of preferential tax  
306 assessment for the Property and/or the land of which it is a part and from which it is being separated. Removal from enrollment  
307 in the Clean and Green Program may result in the charge of roll-back taxes and interest. A roll-back tax is the difference in the

315 between the owner and county is binding upon any Buyer of the Property during the period of time that the covenant is in effect  
316 (5 or 10 years). Covenants automatically renew at the end of the covenant period unless specific termination notice procedures  
317 are followed. When a breach of the covenant occurs, the then-owner is required to pay roll-back taxes and interest. A roll-back  
318 tax is the difference in the amount of taxes paid and the taxes that would have been paid in the absence of the covenant. The  
319 roll-back taxes are charged for each year that the Property was subject to the covenant, limited to the past 5 years.
